

JUNEAU COUNTY

“EMPLOYER SHOWCASES” will be held through the month of September to celebrate Workforce Development Month! Please join us to learn from local businesses about the challenges and opportunities in key industry sectors. *The Job Center is located at 211 Hickory Street, Mauston, Wisconsin.* For more information or to register, please call Shane Gesler at (608) 847-4899.

“From Documents to Sea Otters” Steve Carpenter, Federal Express, will share creative ideas regarding careers in transportation. FedEx provides access to a growing global marketplace through a network of supply chain services, transportation services, business and information services. Whether you need to deliver 19 penguins and 2 sea otters to Audubon Aquarium of the Americas, or a priority document to a customer across the country, FedEx can deliver it fast. If you use it, it came to you on a truck.

(Wednesday, September 6, 2006 at 11:30 a.m. – 12:30 p.m.)

“Design, Engineering and Manufacturing” Walker Stainless has almost 60 years of experience in stainless steel design and fabrication. Please join a panel of employees from Walker Stainless as they discuss employment in manufacturing. Learn more about careers in robotics, welding and more. If it came to you on a truck, it was manufactured somewhere!

(Wednesday, September 13, 2006 at 11:30 a.m. – 12:30 p.m.)

(May change based on availability of speakers, so please call ahead)

“Preparing for the Boom in Boomer” Carol Purvis, RN, Mile Bluff Medical Center, will be on hand to discuss the growing need for healthcare workers in western Wisconsin. Our population is aging which increases the need for trained, competent and caring healthcare professionals throughout our region. If you have an interest in this career, you can help make sure the boom doesn't turn into a bust! Learn how rewarding and fulfilling a career in healthcare can be!

(Wednesday, September 20, 2006 at 11:30 a.m. – 12:30 p.m.)

“Let's talk about Communications” Staff from Lemonweir Valley Telephone Company will be discussing careers in information technology and the varied opportunities IT offers. Lemonweir Valley continues to be the innovator of modern quality telecommunications services since its inception in 1907. They are committed to providing the highest level of services available at fair prices and at the same time, looking to the future to provide advanced technology for their communities.

(Wednesday, September 27, 2006 at 11:30 a.m. – 12:30 p.m.)
